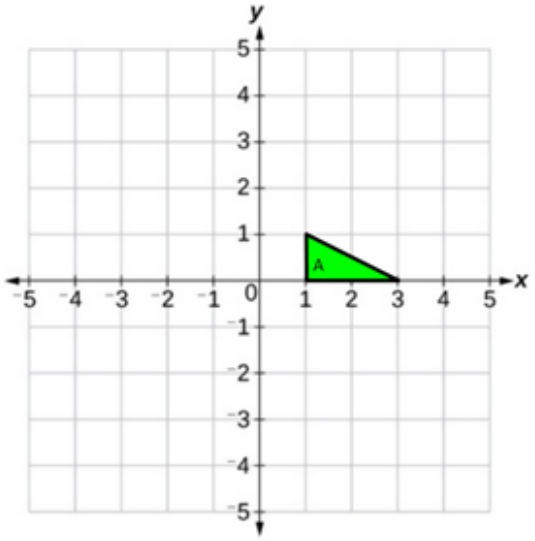
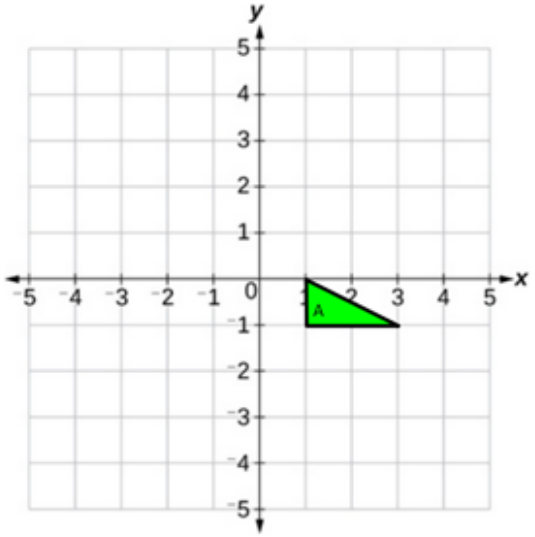
1)



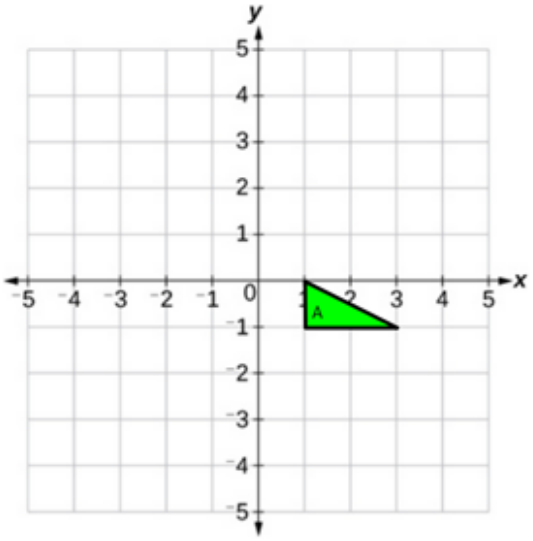
Reflect triangle A using y = x

2)



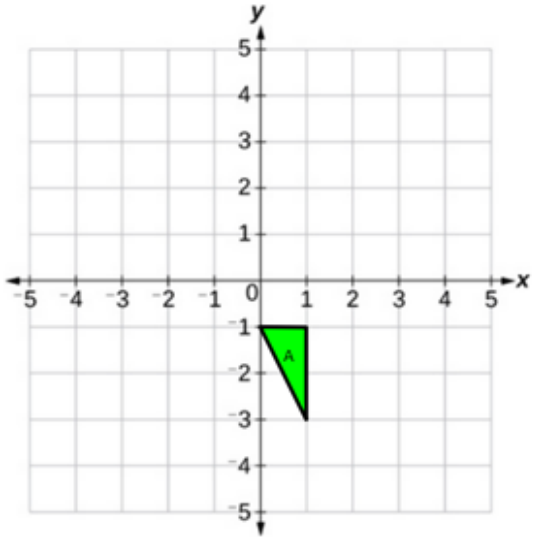
Reflect triangle A using y = x

3)



Reflect triangle A using y = -x

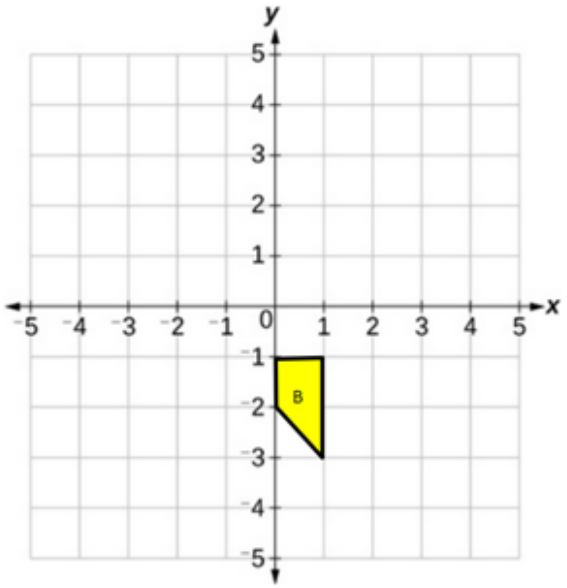
4)



Reflect triangle A using y = -x

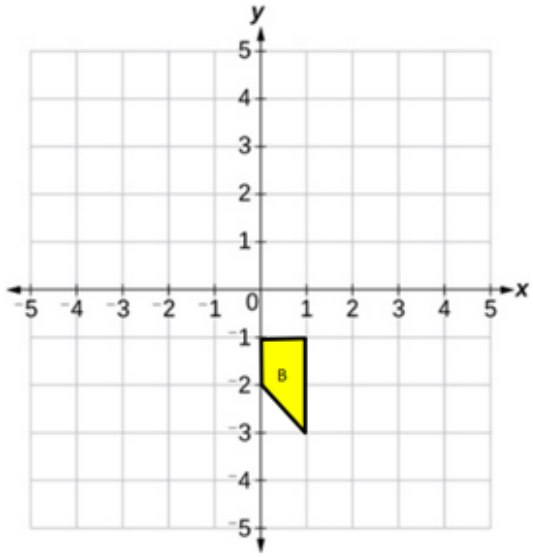
@mathsmrgordon

5)



Reflect trapezium B using y = -x

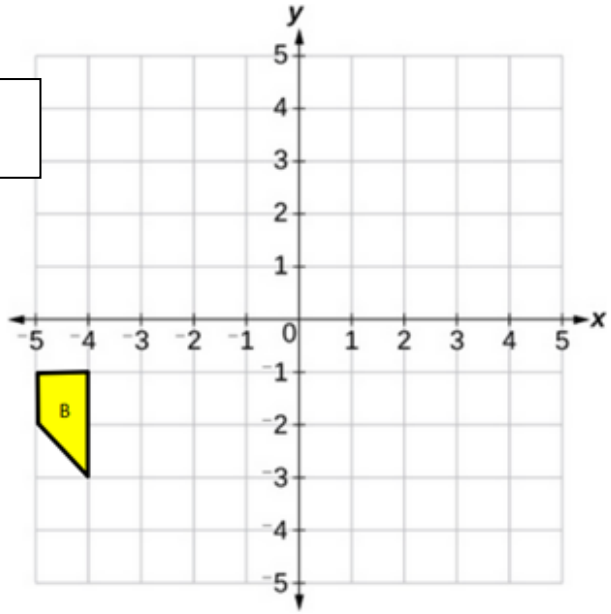
6)



Reflect trapezium B using y = x

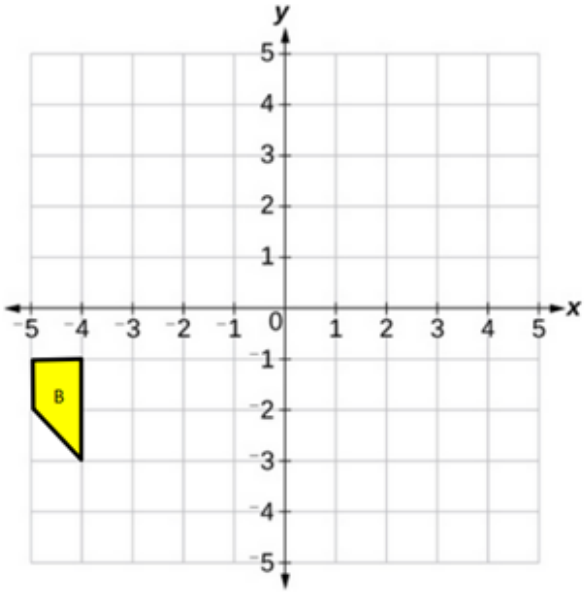
7)

Teach Me



Reflect trapezium B using y = x

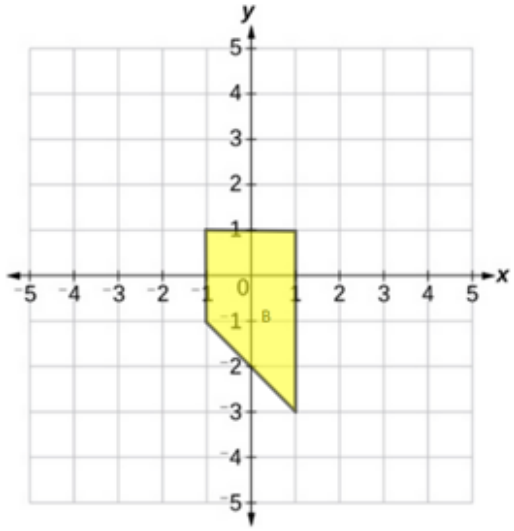
8)



Reflect trapezium B using y = -x

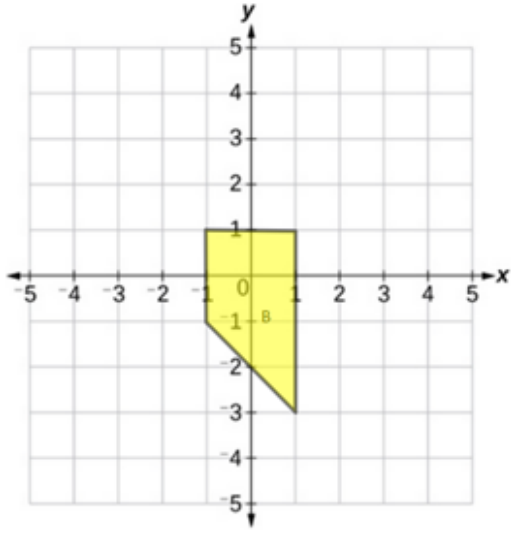
@mathsmrgordon

9)



Reflect the trapezium B using the line y = -x

10)



Reflect the trapezium B using the line y = x

@mathsmrgordon
